This status report is being filed as an update or final report

The Greater Alliance Foundation is very interested in how the grants that we make are working in the community. It's also important to us to let our donors know the ways in which their gifts are working. With this in mind, please take the time to briefly describe how the grant you received from the Greater Alliance Foundation was spent (brief financial report) and how this grant is working to help your organization achieve it's mission. Please include any related **news articles, photographs** of individuals actively involved with the project or individuals benefiting from the project, and any other pertinent information. (Please include additional pages when necessary.)
